

HBS MEDICAL AND DENTAL COLLEGE

POLICY FOR ELECTIVES

HBS Medical and Dental College accepts applications for electives from national and international medical and dental students. Only students from those colleges which are recognised by Pakistan Medical and Dental Council (PMDC) will be eligible for electives.

Students of HBS Medical and Dental College:

Students of HBS Medical and Dental College will submit application to the department of medical education (DME) two weeks prior for electives.

- It will be the students' responsibility to obtain permission from Head of Department and the institute where the applicant is applying.
- No stipend will be paid for travel.
- Students will only be allowed to avail electives during their vacations.
- Department of Medical Education will give credit to the students for their electives provided they submit certificate from the concerned department.
- The allowed duration for elective is no longer than two weeks.
- Only one elective rotation will be allowed in one academic year.
- Electives will only be done in secondary and tertiary care hospitals, preferably in teaching hospitals.
- There will be no electives for 1st and 2nd year MBBS and 1st and 2nd year BDS.
- Students of 3rd, 4th and 5th year MBBS will be allowed for electives. Similarly, students of 3rd and 4th year BDS will be allowed for electives.

Students from other medical colleges:

- Students from those medical colleges which are recognised by PMDC will be eligible for electives in HBS Medical & Dental College.
- Students from other colleges will inform two weeks prior to starting electives in HBS Medical & Dental College.
- The concerned department will be responsible for approving the application and submitting it to the DME. Foreign graduates who have given NLE exam and who have valid PMDC registration will be eligible for electives.

- During electives, students will not be allowed to perform or treat any patient. They will work as observers.
- The college will issue a certificate to the concerned student for their electives.
- Not more than two students will be allowed for an elective in any one department.
